CITY MANAGER'S OFFICE CONCORD, NH

Dear Tom,

I am writing to inquire whether the City would be interested in selling parking passes to Pierce students to use the parking lot at White Park. I only have the rough outline of an idea, and obviously details would be completely up to the city. But, for example, such an arrangement could look something like this: For a fee, the City would sell parking passes to Pierce students, faculty and staff to use the parking lot from, say, 8 AM to 5 PM, Monday-Friday, August-May. The number of passes could be limited to a number that would ensure we didn't overwhelm the lot.

This could be a win-win situation resulting in fundraising for the City and convenience for us. I understand the concerns of the City government and Concord's citizens in this matter, and I will continue to work with you to ensure our students park appropriately and legally.

Please let me know if the foregoing idea is something in which the Council might be interested.

Sincerely,

Bonenfant, Janice

Dear Mayor Bouley,

Just a thought about the recent articles in the Monitor regarding Franklin Pierce students parking in the new White Park parking lot...why doesn't the City lease a certain number of spaces to students during the week? I assume that the lot is not full during week-days and it would be a good way for the City to generate income. Just a thought!
